CHRISTMAS DAY

While fifth-grade students were eagerly awaiting Santa they showcase their creativity in making red caps. Craft activities in school are vital for fostering creativity and fine motor skills, encouraging self-expression and cognitive development. These activities, promoting patience and attention to detail, contribute to a well-rounded education by nurturing both artistic expression and essential developmental skills.

FRUIT SALAD

For the holistic development of our students we have organized an activity for the students (girls) of class 7th where they learned about salad decoration. Learning salad decoration in school is valuable as it combines creativity with healthy eating. It teaches students the art of presentation, encouraging them to appreciate nutritious foods in an aesthetically pleasing way. This skill not only enhances culinary abilities but also promotes a positive approach towards balanced and visually appealing meals, fostering a lifelong appreciation for healthy eating habits.

MASK MAKING

A fun activity for class 3rd was conducted where every students in the class showcase their talent by making beautiful masks.

RANGOLI MAKING

Rangoli competition was organized by St. Paul's School. All the classes from 7th to 10th participated in group and made beautiful rangolies. The competitions provide a platform for students to showcase their artistic talents through innovative designs, encouraging creativity and self-expression. Moreover, as students collaborate to create intricate rangoli patterns, the activities foster a sense of teamwork and shared accomplishment.

YEARLY ACTIVITIES

"Language is not just a tool; it's the magical bridge transforms a child's thoughts into words, fostering not only communication but the boundless realms of imagination understanding, and connection."

THE PLAN OF GOD

In love's realm, our Earth so fair,
A coming haven, souls find solace there.

Seasons sway, a cosmic ballet,
Each with a reason, joyous in its own way.

A vision unfolds, a celestial romance,
Miracles twirl, a cosmic dance.

Good and bad, a universal feud,
Positive heads and negatives, in cosmic mood.

Up and down, God's presence found,
Binding us in bonds, love's eternal ground.

His creation, thoughts wide and board,
God's touch, the reason our thinking applauds.

Navya Jain, IX-A

पंक्षी

पंछी उड़-उड़ गाते हैं,
हमको कुछ समझाते हैं,
कहते, ऊँचे उड़ जाओ,
ऊँचे उड़ कर यह गाओ,
ऊँचे उड़ना काम हमारा।

हम बच्चे

हम बच्चे हँसते गाते हैं।
हम आगे बढ़ते जाते हैं।
पथ पर बिखरे कंकड़ काँटें,
हम चुन-चुन दूर हटाते हैं।

आयें कितनी भी बाधाएँ,
हम कभी नहीं घबराते हैं।

धन दौलत से ऊपर उठ कर,
सपनों के महल बनाते हैं।

हम खुशी बाँटते दुनिया को,
हम हँसते और हँसाते हैं।

सारे जग में सबसे अच्छे,
हम भारतीय कहलाते हैं।

ENVIRONMENT

Plant A Tree And Saves Millions of Lives

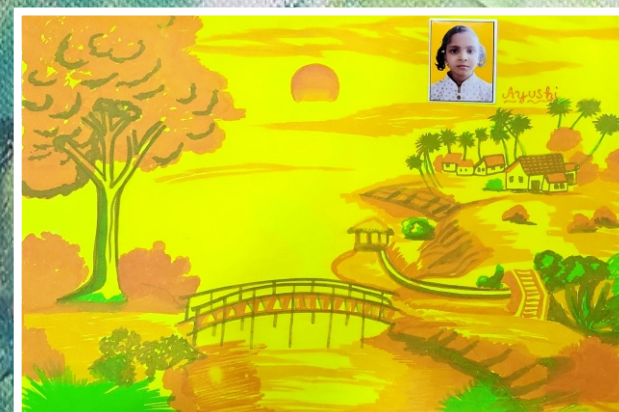

The environment with its treasures
All so continues to measure.
Fish and whales in the deep blue waters
Life in the sea, so alive.

Grasslands and forests with terrestrial life,
Cold, freezing mountain peaks
And hot, tiring deserts
Life among the trees and sands, so alive

MOTHER'S DAY

The paramount significance of mothers in our lives, from the moment of our birth until our last day, is unparalleled. The celebration of Mother's Day serves as a poignant tribute to the invaluable sacrifices mothers make for their children. This day holds profound meaning as it provides an opportunity for children to formally acknowledge and express gratitude for the selfless devotion and sacrifices their mothers undertake. The Mother's Day activity conducted served as a medium through which children could articulate their appreciation and honor the profound role their mothers play in their lives.

PLANTATION

Tree plantation activity was conducted in the school. By increasing green cover, these activities contribute to climate change mitigation, promote ecological balance, and provide valuable educational opportunities. Furthermore, engaging students in tree planting fosters a sense of responsibility and environmental stewardship, cultivating a lasting commitment to sustainability. The aesthetic enhancement of our school premises is an additional benefit, creating an inviting and environmentally conscious learning environment.

Teachers are the important pillars for the school. And on this day students themselves took an initiative and performed many acts to show their love and respect for the teachers.

FARM ACTIVITY

As NEP 2020 suggested that students should be the active learner. St. Paul's Sr. Sec. School has always worked for the holistic development of each and every child. Farm activity was arranged for class 10th where they visited farms and our teachers explained everything to them opening there paths in future.

EARTH DAY

The participation of students in Earth Day Activities is designed to encourage proactive engagement in environmental protection, instilling a commitment to adopting eco-friendly habits and contributing to the advancement of a more sustainable future.

BIRTHDAY CELEBRATION

Birthdays are a happy moment for everyone. Every month St. Paul's School celebrates the birthdays of students in class Nursery L.K.G. and U.K.G. and motivate students to learn new things and love each other. Their parents are also invited and all celebrate the birthday together.

MILK DAY

In this activity children sang a song about the benefit of drinking the milk. Every one drank milk and the teacher explained why it is important drinking the milk daily.

DOCTORS DAY

As a tribute to all the doctors a group activity was arranged by the students of class IVth where they were dressed as doctors and nurses and performed an act showing the hard work and sacrifices doctors do for us.
